## Foreword

### Introduction to ACS Seminar 2018

ACS is the association of seven classification societies headquartered in Asia, namely BKI (Biro Klasifikasi Indonesia), CCS (China Classification Society), ClassNK (Nippon Kaiji Kyokai), IRS (Indian Register of Shipping), KR (Korean Register), VR (Vietnam Register) and SCM (Ships Classification Malaysia).

ACS (Association of Asian Classification Societies) organizes regular technical seminars in the Asian region. In this year, the ACS Seminar on Shipping and Shipbuilding will be held in Mumbai, India on August 8, 2018.

The Seminar will focus on safety and environmental topics and recent international regulatory developments relating to shipping and shipbuilding, which will bring together members of the Asian maritime community and regional maritime professionals.

Speakers from the member societies of ACS, including Chairman and members of ACS Technical Management Group (TMG) and Working Groups (WG), and invited guest speakers from various maritime organizations in Asia will cover a wide range of topics in the following three sessions:

- Green Ship Technology & Regulations
- Maritime Regulations for Ship Safety
- Maritime Development and Trend
